Income Tax - School-to-Career Credit

What is the school-to-career investment income tax credit?

Colorado taxpayers are allowed to claim a credit of 10 percent of their current year investment in a qualified school-to-career program.

"Qualified school-to-career program" means a program that integrates school curriculum with job training, that encourages placement of students in jobs or internships that will teach them new skills and improve their school performance, and that is approved by:

- 1. The board of education of the school district in which the program is operating;
- 2. The State Board for Community Colleges and Occupational Education;
- 3. The Division of Private Occupational Schools created pursuant to §23-60-703, C.R.S.; or
- 4. The Colorado Commission on Higher Education.
